*Clouds, they're all I see
They're calling me
Catch me if you can.
Dreams, they're part of me
They're telling me
To live, to watch them grow.
For Dreams are like evergreen
They live, they never die,
My dreams, they're like the evergreen
They live not to question why.
Life, its not a game
I'm not the same
As I was, years ago.
I've never learned how to give
I've learned how to live
My dreams that grow and grow.
For dreams are like the evergreen
They live, they never die.
My dreams, they're like the evergreen.
They live not to question why?

FSC Sports

Congratulations to all the
players who participated, their
team effort and hard work was
highly appreciated.

Football

The FSC Ram Football Team, under second year coach Tom Kelley, finished with a 3 and 6 record for the second consecutive year. As has been the case for the past few seasons, the Rams fielded one of the best defensive units in the New England Football Conference. However, FSC was played by untimely turnovers too often on offense thus accounting for their losing record.

The Ram's defensive squad was led by linebackers John Calder, Joe Morahan, Ed Sybertz and Scott Camilleri, all of whom will be unfortunately lost to graduation. Also shining on "D" for FSC were linemen Joe Cuneo, Chris Horblit and Steve Oakes along with a solid defensive backfield consisting of Ed Tamuleviz, Joe Collins and Bill Congdon.

Offensively, FSC was again setback by a rash of injuries, key consistent performers were Jim Leonard, Jim Bounopane, Steve McGee and Mike Alves. Co-Captain John Calder was named MVP and Joe Morahan received the Unsung Hero award.

Field Hockey

The FSC Field Hockey Team was caught in a rebuilding year with a 1 and 16 record. However; the losing record does not reflect the hardwork which this small squad exemplified. Often times there just weren't enough players to field an entire team.

MVP and goalie Shelly Cummings along with Unsung Hero Donna Cummings were solid contributors throughout the campaign. Jodi Rafus and Jean Lagos also came through with fine efforts to keep things in perspective. Hopefully, a larger turnout, along with hard work, will reinstate the winning tradition of FSC Field Hockey.

Cross Country

The FSC Cross Country Team finished their fall campaign with an overall record of 3 and 7. Head Coach Ned Price's young squad lost several close meets and could have easily finished with a winning record with a little luck.

The Ram's received a super year from John O'Neil, who was their MVP and Charlie Yates, voted as Unsung Hero.

Women's Tennis

Although their record did not show it, the FSC's Women's Tennis Team had a lot of heart. Going into their final match of the year, the squad emerged with a hard fought victory. They averted a winless year when they edged E. Narazene 5-4.

MVP Tina Turner played consistently all season for the Rams as did Unsung Hero Laura Andrew. Lee McElroy was a solid performer throughout the Rams difficult schedule. With a young team returning, it is a hopeful thought that the Women's Team at FSC will be on the upswing.

Men's Tennis

For the first time in six years, the FSC Men's Tennis Team finished with a winning record, The Ram's were 6-5 overall and 3-4 MASCAC play.

Key racqueteers for Coach John Petz were MVP Bill Mercure and Unsung Hero Jim Cooley. Bob Pemberton and Bob McDonald also played stellar all year for the Ram's. The future looks bright for Men's Tennis once again at FSC.

Women's Soccer

Women's Soccer although it is fairly a new sport at FSC, finished with the program's first winning record ever, a fine 7 and 4 mark. After a slow start, this hardworking team dug down and won their last 5 games of the season while outscoring their opponents by a 28 to 6 margin.

The Ram's had several steady scorers with Donna Delprete, Maureen McPhee and Maria Kelly leading the way. Other consistent performers were MVP Barbara Caravan, Lucia Marjanski and netminder Bridgett Kane.

Head Coach Dave Laliberty has done a great job with this new sport and look for continued success for FSC's Women's Soccer.

Men's Soccer

After a rocky start, the Men's Soccer Team rebounded to win 3 out of their last 7 to wind up with a 4-10-1 overall record. First year Coach Alan Nynn has improved the integrity of soccer at FSC.

Outstanding performers throughout the year were MVP Greg Allen fullback Neil Touzjian and forward Mike Basegain. Adam Tocci was chosen as the team's Unsung Hero. Goaltenders Mike Morgan and Brian Sullivan should also be commended for their solid efforts between the pipes last fall. Look for continued improvement in FSC soccer during upcoming years.

Women's Volleyball

The FSC Volleyball Team endured a rough season, but you can't fault the dedication and hustle exemplified by this hard working squad. Throughout a vigorous schedule, this team gave 100 percent although their overall record does not reflect this.

MVP Janet Ware and Unsung Hero Mandy Branigan were mainstays all year for the Rams. FSC also received solid contributions from Mary Ann Stefanelli, Janine Marguand, Janice Tibbetts and Erica Jacoby.

With most of the squad expected to return, along with the experience gained, next year could prove to be a profitable one for FSC Volleyball.

Hockey

The 1983-84 FSC Hockey Team finished their season with a respectable 8-8-1 Division III record and 8-15-1 overall, a big improvement over recent years, Tri-Captains Frank Piso, Jim Donovan, and Brian Smith were the most influential as the trio combined for 117 points, Donovan was the teams leading scorer finishing with 43. While Piso and Smith finished with 41 and 33 points respectively.

Frank Piso, a junior who will captain next years squad was chosen MVP, while Mark MacDonald cupped the Unsung Hero Award. Other key performers were defensemen Bobby Kerr (22 points), Tim Whitcomb, Rick Samenski, and Kurt Whynot.

Between the pipes, goalies Mike Burke and Rich Morrissey came through with consistently strong performances to keep the opposition at bay. Next year, with only five players graduating and eleven lettermen returning, FSC Hockey will once again be forced to keep an eye on.

Women's Basketball

After being forced to suspend the program last year, FSC Women's Basketball returned in full swing in 1983-84 although they had to endure a long grueling season. Although finishing with an overall record of 1 and 22, the program appears to be headed for greener pastures.

MVP and Captain Maureen MacPhee exemplified that though hard work and dedication, you can still have fun even without winning. Unsung Hero Laurie Baird also played solid two-way basketball during this difficult campaign.

Well, now that FSC Women's Basketball has been reinstated, the future can only be brighter.

Men's Basketball

Where do you start? 27 consecutive victories? An overall record of 24-22? A number 2 ranking in the nation's poll? Or how about FSC'S first All American, Mark Van Valkenburg? Whichever way you look at it, the FSC' Ram's Basketball Team enjoyed their finest season ever and it could not have possibly been more exciting!!

Time and time again, the Rams, behind their All American scoring machine Mark Van Valkenburg, pulled out clutch victories enroute to their amazing record of 24-2. Only a loss to Clark in the Northeast Regional Final averted the Rams of having a shot at the National Championship, which was certainly within reach!!

Other key ingrediants to this superb team were Angel Grullon, Tony Barry, Chudi Ekpunobi and Marvin Satson. Grullon, a slick playmaking guard always seemed to make the right play. Two other sophomores Tony "Ice Tea" Barry and Chudi Ekpunabi were steady performers all season at both ends of the court. Marvin Sutson, always came through when his number was called. He should prove to be a Ram player to be reckoned with in the future.

Another critical reason why this team faired so well was because of their super coach Bruce Grealey and his assistant Phil "Bubba" Arsenault. These two fine individuals got the most out of the Rams while still making the fun for the players.

Well, whichever way you look at it, the 1983-84 FSC Basketball Team rose to the occasion and overcame all expectations to provide this school with more fun and excitement than ever before.

Mark Van Valkenburg — All American

Mark Van Valkenburg indeed belongs in a class of his own. The unstoppable All American ended his illustrious FSC hoop career as the school's all-time leading scorer and rebounder. In becoming FSC's first-ever All American, Mark finished first in the country scoring with a 30.3 average per game and was second in the nation with a 66.8% field goal percentage. Marks accomplishments deserve special recognition as a player of his caliber rarely comes around. In fact, Mark raised enough eyebrows to be drafted by the World Champion Boston Celtics, the first ever at FSC.

Once again, Thanks Mark and the rest of the FSC hoop team for a truly remarkable and unforgettable season.

Softball

The 1984 FSC Softball team under first-year coach Jeanne O'Donnel finished with a deceptive overall record of 5 and 13. Although their record does not reflect how competitive this young squad really was, the Rams lost several tight ballgames and with a few breaks could have finished with a winning record.

Co-Captain and MVP Maureen McPhee provided the team with the leadership both on and off the field as did Jean Lagos, the Ram's other Co-Captain. Beth Kerriagan also played a key role for FSC with solid play in the outfield, consistent pitched when needed and aggressive hitting.

Other Rams deserving recognition are pitcher Sue Nichols, catcher Helene Walls, DH Sue Ayalian and centerfielder Heidi Kalweit. With no seniors on this years team, next year should provide even more action, excitement and success!!!

Baseball

The 1983-84 FSC Baseball Team enjoyed a successful season even though they did not reach the .500 mark. Second-year coach Bob Sannicandro appears to have restored pride once again to Ram Baseball. FSC lost several close ballgames, but have shown that Ram baseball is here to stay.

MVP's Mike Sarno and Adam Frattasio were key players during FSC's fierce, competitive schedule. Co-Captain Keith Manning also came through with several clutch hits over the season while handling the catching chores as well. Speed demon Steve McGee was chosen as Unsung Hero and along with Mark Munte, Frank Malzone, Bill Mago, Jeff Hart, Tom Winand, Bill Rose, and Kevin Bonnyman all returning, FSC Baseball appears to be headed in the right direction.

Equestrian Team

The FSC Equestrian Team had a very successful show season this year. Every member of the team has pinned consistently at the horse shows. Candy Ransom won her class at the Smith College Show receiving the only blue ribbon for FSC this year.

Wendy Cicciu was quite successful over fences in the Novice Division and Dawn Zebry qualified for the Regional Finals which were held at the University of Connecticut. Dawn was the first rider in five years to qualify in the regionals.

Co-Captain Joanna Hennessey moved up two divisions this year alone. Candy Ransom, Dawn Zebry, Mary Beaudoin, Lisa Tuthill, and Jeanette Georgopaulos each received enough points to move up to next divisions.

Team Captain Carol Besgen has moved out of advanced Walk Trot Center Division.
